## Operating Grant

All British Columbia public libraries, established by the authority of the [Library Act](#), may be eligible for annual per capita operating grants based on a funding formula. Funding for 2016 operating grants have been held at March 2015 levels.

Some libraries have been provided with minimum provincial levels of funding in order to mitigate the effects of future population loss on funding levels. This minimum level of operating funding is called **Grandparent Rates**. The Libraries Branch continues to honour these Grandparent Rates for affected public libraries in 2016.

The following table details the funding rates.

Distribution by Library Type	Operating Grant per capita rate	
	Rural Regional District	Urban Regional District
<b>Municipal Libraries and Public Library Associations (PLAs)</b>		
Population served under 12,000	\$3.20	\$3.00
Population served between 12,000 and 35,000	\$2.70	\$2.50
Population served over 35,000	\$2.20	\$1.78
<b>Regional Library Districts</b>		
Rural populations within district	\$4.10	\$3.90
Municipal populations within district	\$2.20	\$1.78
<b>Regional District Integrated Library Systems</b>		
Rural populations within district	\$4.10	\$4.10
Municipal populations within district	\$2.20	\$2.20

### Notes:

- Rates and population for 2016 are held at same levels as 2015.
- Population figures sourced from annual estimates provided by BC STATS. Where annual estimates are not available, population figures are sourced from 2011 Census data.
- Urban Regional Districts (RDs) for the purpose of public library operating grants include Capital, Central Okanagan, Fraser Valley and Greater Vancouver Regional Districts). All other Regional Districts are considered Rural RDs

## Resource Sharing Grant

The Resource Sharing grant is based on a piece rate for materials lent through interlibrary loan (ILL) services during the previous calendar year. Interlibrary Loan is a service that allows BC public libraries to share materials with other libraries in BC and across Canada.

The piece rate for the 2016 Resource Sharing Grant is \$2.80 per item lent in the 2015 calendar year.

There are three types of eligible ILL transactions that are used to calculate the grant:

Types of Eligible ILL Transactions	Description
Agent Outlook transactions	Primary means of tracking interlibrary loan transactions by BC public libraries. Libraries request items from other systems through a shared catalogue that is updated at regular intervals.
ILL Exception transactions	For items requested through other means, particularly email or over the phone. Also includes requests for multi-volume sets. Excludes items lent to destinations outside of Canada.
Sitka Direct Patron Request (DPR) Interlibrary Connect transactions	Multi-library direct loan project that allows libraries using the Sitka Evergreen ILS to request items via live connection from each other. Currently, three library federations are using this system.

## OneCard Grant

The BC OneCard Grant is funding to enable libraries to provide expanded library service to BC residents through participation in the [BC OneCard program](#). The OneCard program ensures that active patrons of any public library in BC may use their card wherever they travel within the province.

BC OneCard grants are based on either a tiered or piece rate (whichever is greater) for materials lent and returned in the previous calendar year.

Population Tiers	Minimum Compensation	
	Circulation	Returns
Population served under 3,000	\$3,175	\$3,175
Population served between 3,000 and 7,000	\$3,700	\$3,700
Population served between 7,000 and 10,000	\$4,750	\$5,500
Population served over 10,000	\$5,500	\$5,500
Multi-region Libraries: Regional systems, Integrated systems, and Greater Victoria Public Library	\$12,000	\$12,000

The piece rate for items lent or returned by libraries that exceed the minimum levels above is 8.5 cents per item.

For 2016, tiered rates were kept the same as they were in the previous calendar year for all libraries.

## Library Literacy Grant

Literacy & Equity Grants are funding for the promotion of literacy and life-long learning within BC public libraries. Libraries may use these funds to expand their collections and services which support literacy in their community. Funds may not be used for building projects or upgrading the library's facilities and furnishings. Libraries may, however, use their grant funding in collaboration with other public libraries or federations on related projects.

Some examples of how libraries promote literacy and lifelong learning with these grants:

- Summer reading programs
- Building special collections (ex: low-literacy materials, ESL materials, multilingual materials, or materials for the visually impaired)
- Reading programs for reluctant readers
- Purchasing equipment in support of literacy for the visually impaired, such as DAISY (Digital Accessible Information System) readers
- Outreach services
- Early childhood initiatives such as Mother Goose, Father Moon, Baby time, etc.

Literacy funding rates for BC public libraries have been maintained at steady levels since 2009/10, and are not based on a calculation formula. Please refer to *Table 1: 2016 Library Grants Summary* to see a breakdown of Literacy & Equity Grant funding by library.
