SUBJECT: Conveyance of Public Library Operating Grants 2017

Email: CHAIRS c/o L_educ_library_directors@lists.gov.bc.ca

Dear Public Library Board Chair,

The Ministry of Education recognizes the importance of supporting the improvement, extension and promotion of quality public library services across the province. Working together, the ministry and public libraries strive to provide British Columbians access to the information and tools they need to learn, work, create and thrive.

The Libraries Branch is pleased to inform you that your library will receive the following grants to support library operations and services for 2017:

Quarter 1 (June 2017)

- **Per Capita Operating Grant:** All B.C. Libraries established under the authority of the *Library Act* receive the Per Capita Operating Grant to support the ongoing public library operations and their participation in province-wide initiatives.

Quarter 2

- **Resource Sharing Grant:** This grant supports libraries in the sharing of materials by alleviating the costs involved in running and managing the interlibrary loan service.
- **BC OneCard Grant:** This grant is for libraries participating in the BC OneCard program. BC OneCard enables active patrons of any public library in BC to use their library card to borrow from other libraries throughout the province.
- **Equity/Literacy Grant:** Access to learning and literacy experiences are a core service of B.C. public libraries. These funds support the expansion of library collections, programs and services that promote literacy and life-long learning.

Funding for public libraries, while distributed as four grants through 2017, should be considered jointly, and used in mutually supportive ways to ensure that the ministry's priorities for libraries

are met. The priorities and vision for B.C.'s public libraries are outlined in *Inspiring Libraries, Connecting Communities: a vision for public library service in British Columbia*. This plan sets out the Libraries Branch's plans for the coming years, highlights the changing role of public libraries and celebrates the key role libraries play in supporting thriving communities.

The ministry will deposit funds electronically into the account at the financial institution your library has designated. A notice will be emailed once payment has been made.

Please find attached the 2017 Public Library Grant Allocations summary document, which provides the details by library for funds allocated in Quarter 1.

In accordance with conditions placed on all ministry grants, libraries must submit specific documents as outlined below. Continued provincial funding for your library is contingent on the completion and filing of three reports in the accountability framework:

- *2017 Provincial Library Grants Report* (March 1 2018)
- *2017 Statement of Financial Information (SOFI)* (due May 15, 2018)
- *2017 Annual Survey of Public Libraries* (also due May 15, 2018)

The ministry is committed to open public access to information and is bound by the *Freedom of Information and Protection of Privacy Act*. The ministry may release any or all information submitted for these reports to the public.

Please be aware that the ministry will reclaim any portion of the grants should the library not use the funds received for the purposes outlined in the attached grants description and associated expectations.

I would like to express our deep appreciation to library boards and library staff for their efforts in providing quality library services, and supporting the aspirations of people and communities across the province.

Sincerely,

Mari Martin
Director

Operating Grant

All British Columbia public libraries, established by the authority of the [Library Act](#), may be eligible for annual per capita operating grants based on a funding formula.

The Libraries Branch provides some libraries with minimum provincial levels of funding (known as **Grandparent Rates**) in order to mitigate the effects of future population loss on funding levels. The Libraries Branch continues to honour these Grandparent Rates for affected public libraries in 2017.

The following table details the funding rates.

Library Type	Service Area Population	Rural/Urban	Rate
PLA / Municipal	<12,000	Rural	\$3.20
		Urban	\$3.00
	12,000 – 34,999	Rural	\$2.70
		Urban	\$2.50
	≥35,000	Rural	\$2.20
		Urban	\$1.78
Regional	Municipal	Rural	\$2.20
		Urban	\$1.78
	Rural	Rural	\$4.10
		Urban	\$3.90
Integrated	Municipal		\$2.20
	Rural		\$4.10

Notes:

- Population figures sourced from the 2015 Population Estimates provided by BC STATS.
- Urban Regional Districts (RDs) for the purpose of public library operating grants include Capital, Central Okanagan, Fraser Valley, and Greater Vancouver Regional Districts. All other Regional Districts are considered Rural RDs
